Dear Sir:

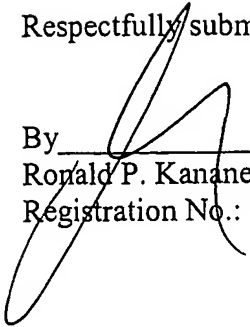

The Applicant, through its representatives and attorneys, and substantially contemporaneously with the filing of a Response to a Restriction Requirement, hereby provides for the convenience of the examiner a copy of Japanese Laid-Open Publication No. 10-248203, published September 14, 1998, together with a copy of its English language abstract. This submission is timely in that it is made prior to a first action on the merits of the application.

The relevance of this Japanese language document may be seen by comparing Fig. 14B of this application with Fig. 7 of the cited document. Therefore, please take this document into account in the initial examination of this application, together with the information noted in the Background of the Invention at pages 1 and 2 of the application as filed, and make that

information of record.

Respectfully submitted,

Dated: December 21, 2004
